

Covid-19 Health & Safety Guidelines

* PLEASE DO NOT ATTEND IF YOU HAVE ANY SYMPTOMS OF COVID-19 OR YOU HAVE BEEN IN CONTACT WITH ANYBODY WITH SYMPTOMS IN THE LAST 10 DAYS.

* A one way system is now in place to ensure social distancing measures are adhered to. Please use the usual entrance (in the car park) at the beginning of your lesson. After your lesson you will then be directed to leave via a separate exit (near the toilets).

* Hands must be cleaned thoroughly with soap/hand sanitiser at both the entrance and exit points to the building - this will be provided to all of our dancers.

* Please thoroughly sanitise your hands before and after dancing with a teacher or dancer who is not from your household. Please remain with the same dance partner/teacher throughout the lesson.

* Face masks are not compulsory however you are welcome to wear one should you wish.

* Temperature checks/refusal to allow entry are at the discretion of the academy principal.

* Door handles/surfaces will be disinfected between each lesson.

* Where possible lessons must be paid for via bank transfer - we are trying to minimise handling cash at this time.

* Please ensure you have completed the signing in book when you attend a class to help with tracing contacts should we be affected by a positive Covid result.

* Sadly we must also ask that you refrain from stroking Maestro at this time (no matter how much he begs!).
